AUGUST 2008

Dear Customers,

Good news for your bakery or baking section.

Our dough sheeters are famous for the excellent sheeting of your various doughs. All the units are manufactured in **SWITZERLAND** and models **SSO 615** and **SSO 675** are the most commonly used sheeters. We have one of each unit as display in our warehouse and are now pleased to announce a very special price of them.

You are most welcome to come to try the operation of the unit before making your decision. Could you please call us for arrangement or details?

With best regards,

KOLB H.K. LTD.
