# SAUCE MASTER CHEF

Smart and Reliable choice for  
**Automatic** food preparation

- ✓ **Multiple Applications**
- ✓ **Satisfy Various Requirements**

## Heating Method

Fillings

Sweets

Sauces

Curry

Gravy

## Available Features:

- ★ Capacity: 200 / 250 / 300 / 400 L
- ★ Hydraulic tilting
- ★ Hydraulic lifting
- ★ Double layered stainless steel bowl
- ★ Variable speed
- ★ Flat lip for mixing kettle
- ★ Teflon stirrer blade

## Assurance:

- ✓ Labour saving
- ✓ Low investment cost + high return
- ✓ Premium quality + high performance
- ✓ Conform to food safety and hygiene

Contact us and we will provide best solutions for your requirement!

# Kolb AUTOMATIC DIVIDER MOULDER

## PANIFORM *Allow you to produce any types of bread!!*

- 👍 **Compact**  
dividing in tank up to 19kg or with grids up to 5kg
- 👍 **Fast & Efficient operation**  
Moulding division of up to 3,000 pieces/hour
- 👍 **Versatile - Modular solution**  
with a selection of more than 80 moulding grids  
(please let us know your desired weight)
