

Kolbcoffee
Creating Experience

Your individual need is the challenge we love. Whether it is one of our fine beans that we roast in Switzerland and Italy or the best coffee machines, our services will positively surprise you.

The Kolb Baristas come by to support you on the latest coffee experience and our service team makes sure that the machines are working at all times.

"Our aim is to find the right coffee package, the right solution for you - to enable you serving a fantastic coffee to your customers!"

Mr. Roger Geisser
Managing Director, Kolb Coffee

Since 1986

Kolb Switzerland was founded in 1935 and the company in Hong Kong started in 1986.

Kolb (H.K.) places high value on quality and services, and believes the market shares the same philosophy.

We source only premium grade Arabica and Robusta beans from the best coffee growing regions around the world and we roast each single batch fresh by our professional roasters in Switzerland and Italy to ensure optimum coffee flavors in terms of Aroma, Taste, Body and After-taste.

Our team of service coordinators, technicians and barista trainers are ready to prepare your distinct signature coffee.
